## Robot The Terrible Twos 16

### Setup:

When the game starts, The Terrible Twos goes through all his playing cards and puts them in the appropriate deck — the Twos deck or the All Other Cards Deck.

Whenever The Terrible Twos gets playing cards they go to the bottom of one of his Decks — the Twos Deck or the All Other Cards Deck.

### Skirmish:

For a Skirmish, always use the top card off the All Other Cards Deck unless the All Other Cards Deck is empty – in which case use the top card off the Two's Deck.

### War:

*To lay down cards for a Battle:*

Use the cards from the All Other Cards Deck. Only use cards from The Twos Deck if All Other Cards is empty.

*To calculate The Terrible Twos' Battle Score:*

Turn up cards until getting a 16 or higher Battle Score or all 3 cards are turned up.

After turning up cards, if there is a 2 in the Twos Deck AND the Battle Score is 19 or less, take a 2 and place it on the Battlefield and add it to the Battle Score.
